**On 10 March 2013, six representatives of the Multinational Corps Northeast (MNC NE) among nearly five hundred other women took part in an annual Alkala women's run organized by Fitness Health Academy on the occasion of Women's Day. This year, the MNC NE Commander Major General Bogusław Samol took the event under his honorary patronage.**

In winter scenery, with snow and frost, almost 500 women met to actively spend Sunday afternoon and propagate running as basic fitness activity. The women could choose one out of two categories: running and Nordic Walking. Since the event was held under the honorary patronage of the MNC NE Commander, the MNC NE Promotional Tent was put up, which additionally gave shelter to the participants of the event.

Moreover, General Samol founded MNC NE Cup's for the best scores among MNC NE representatives in both running and Nordic Walking handed over by Lithuanian Senior National Officer Major Viktoras Bagdonas. The best runner turned out to be Mrs. Alicja Jagielska from Poland whereas the best walker – Mrs. Meile Bagdoniene from Lithuania.
