Headquarters Multinational Corps Northeast (HQ MNC NE) conducted its Joint Fires and Targeting (JF/TGT) Workshop from 11 to 13 March 2013. The main objective of the Workshop was the preparation of the participants for the upcoming exercise Crystal Eagle 2013 in Germany.

Among the invited guests were officers and senior non-commissioned officers from Germany, Austria and Poland. The Workshop was chaired by the Joint Fires Branch Chief of G3 Staff Division Lieutenant Colonel Dariusz Dobroń.

The workshop was performed as a combination of briefings, open discussions and practical training in using ISAF/IJC (International Security Assistance Force/ISAF Joint Command) computer portal and applications to familiarize involved HQ MNC NE personnel as well as representatives from the Training Audience with targeting, artillery, army aviation, airspace management and air defense framework for HQ MNC NE operations, focusing on exercise

Crystal Eagle 13 scenario.

The participants appreciated the workshop very much and the effort implemented to the Workshop will be more visible on the Crystal Eagle 13 exercise scheduled for April this year.
